Wifi/Hotspot

The screenshot shows the Mikrotik WinBox interface. On the left is a vertical menu with various configuration options. The main area displays the 'Address List' window, which contains a table of IP addresses and their associated networks and interfaces.

	Address	Network	Interface
D	192.168.4.107/...	192.168.4.0	ether1
	192.168.20.1/...	192.168.20.0	wlan1
	192.168.40.1/...	192.168.40.0	Siswa
	192.168.60.1/...	192.168.60.0	Guru
	192.168.88.1/...	192.168.88.0	ether2

Konfigurasi VLAN

The screenshot displays the Mikrotik WinBox interface. The top menu bar includes 'Session', 'Settings', and 'Dashboard'. Below the menu, there are navigation buttons and a 'Safe Mode' indicator. The main window shows the 'Bridge' configuration page for 'bridge1'. The left sidebar contains a tree view of configuration categories, with 'Bridge' selected. The main content area shows a table with the following data:

Name	Type	L2 MTU	MAC Address	Protoc...	Tx
bridge1	Bridge	1598	64:D1:54:F5:84:CE	RSTP	3.1 kbp

Below the table, there is a status bar indicating '1 item out of 10'. The bottom of the interface shows a 'Windows' section with '0 items'.
